

I'm upset about Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election.

This type of one-sided broadcasting does nothing to educate or inform our country about the issues. They are using my public airwaves to promote one side. If they were showing more of a balance, I could accept their decision.

It also shows how dangerous it is for corporations to control a large percentage of the airwaves. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But this does little for the public good.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Thank you.
